Explanation of Signs.

The signs used are as follows: ζ , conjunction or near approach; \oslash , opposition or 180° from the Sun; \square , quadrature or 90° from the Sun; \odot , Sun; \oplus , Earth; \mercury , Mercury; \venus , Venus; \mars , Mars; \jupiter , Jupiter; \saturn , Saturn; \uranus , Uranus; \neptune , Neptune; \ascnode , Ascending Node; \descnode , Descending Node.

Duration of Light and Darkness.

The fourth column of the calendar page for every month contains a diagram showing the amount of Darkness or of Sunlight or Moonlight. These small figures represent the twelve hours from 6 p.m. to 6 a.m., and have four divisions, each representing three hours. Example—from the 1st to the 7th of January there is moonlight from 6 p.m. to 6 a.m., but from the 16th to the 21st it will be seen that there is no moonlight. The light portions of the diagrams are not at all times to be considered as moonlight, for the reason that in some months light is derived from the sun after 6 p.m. and before 6 a.m.

In the column where chronology, historical data, inventions, etc., appear the year only is given—not the day on which it occurred.

To obtain Correct Time.

Select a porch column on the South side of the house which is perfectly plumb, and having obtained the correct local time from the nearest reliable source, note the time at top of each calendar page when the Sun is at the "noon mark." When that minute arrives drive a few tacks along the edge of the shadow cast. This constitutes a "noon mark," and will enable you to obtain the correct local (not standard) time always, and far more reliably than by the rising or setting Sun, unless you live on the sea shore or on a prairie where a true horizon is obtainable.

HON. OWEN L. W. SMITH,
Minister to Liberia.

The Negro in Diplomacy.

Since his enfranchisement the Negro has played quite a conspicuous part in the official life of the country, both at home and abroad. As Minister and Consul he has, without exception, filled the posts with fidelity and high competency, and has maintained the dignity and prestige of the United States Government. With this sketch we give the portrait of Hon. Owen L. W. Smith, our Minister to Liberia.

A Colored Lawyer's Fee.

The largest single fee yet collected by a colored lawyer was \$15,000. This was paid to J. Milton Turner, of St. Louis, who successfully prosecuted some claims of the Cherokee Indians against the Government a

few years ago. Mr. Turner was at one time United States Minister to Liberia. Colored lawyers are meeting with decided success, and have formed a National Bar Association.

Free Advice from Doctors.

J. L. Gunn, M. D., of Ashland, N. C., says:—After 20 years' experience I must confess MEXICAN MUSTANG LINIMENT, for general use, on man or beast, to be the best it has ever been my fortune to try. Drug stores are stocked with worthless liniments. Don't stop to consider, but go and get MEXICAN MUSTANG LINIMENT, is my advice.

S. F. Walker, M.D., of Bright Star, Ark., says:—I have found MEXICAN MUSTANG LINIMENT to be an excellent remedy. It does all that is claimed it will do and much more. It has no equal for the cure of Rheumatism and Inflamed Breast.

Chas. M. Knight, M. D., of Chaplin, Conn., says:—I used MEXICAN MUSTANG LINIMENT on a patient (a woman 70 years old), who had a fall badly bruising her right shoulder and hip. I was called the morning after the accident and found her in bed, unable to move, and suffering considerable pain. I applied the liniment and it gave her great relief, stopped the pain and relieved the stiffness.

J. T. Hedrick, M. D., of Alfordsville, Ind., says:—MEXICAN MUSTANG LINIMENT always gives entire satisfaction and is all you claim for it. No better remedy could be used for Burns and Scalds.

S. J. Brownson, M. D., of Fort Worth, Texas, says:—Your MEXICAN MUSTANG LINIMENT has given the very best satisfaction whenever I have had occasion to use it. It is especially good for stiffened joints. I always keep it within reach for use in emergencies.

J. J. Patterson, M. D., of Marshall, Ala., says:—In my practice I have found that MEXICAN MUSTANG LINIMENT acts like magic. In one case it cured an old lady of a very severe attack of Rheumatism in the neck.

J. C. Compton, M. D., of Ratliff, Miss., says:—I gave MEXICAN MUSTANG LINIMENT a thorough trial in a case of severe backache accompanying La Grippe and found it gave prompt relief. I believe it to be a good remedy and shall continue to prescribe it.

Geo. H. Jones, M. D., of Crescent, S. C., says: I used your MEXICAN MUSTANG LINIMENT in a case of Inflammatory Rheumatism with good results, I think it is a fine liniment.

County Physician Dr. E. L. H. Barry, of the Jersey County Infirmary, Jerseyville, Ill., says:—I consider MEXICAN MUSTANG LINIMENT a valuable prescription.

O. P. B. Wright, M. D., of Clinton, Wis., says: I have used MEXICAN MUSTANG LINIMENT for a variety of purposes and find it a very excellent article for man and beast. I have no hesitation in recommending it for general use, and in the future I shall use it largely in my practice.

LYON'S KATHAIRON Makes HAIR HEALTHY.

It cleanses the head from dirt and dandruff, which, in a majority of cases, is the cause of baldness. If you want fine hair kill the dandruff.

Mrs. Annie C. Blauvelt, of Grand Rapids, Mich., writes:—"My hair fell out and grew so thin I was unable to do it up nicely. I tried your LYON'S KATHAIRON and now my hair is growing rapidly thicker."

RICHARD T. GREENER,

whose picture is here shown, is the United States Consul to Vladivostok Russia. He has shown much ability in the conduct of the affairs of his office, and by his affable manner and gentlemanly conduct has gained the esteem and respect of his associates both in his official and private life.

During the year ending April 30, 1900, the A. M. E. General Conference raised for the expenses of the organization \$113,455.46 the highest point reached in the history of the Church. Rev. M. M. Moore, the financial secretary, executed the plans which yielded such unprecedented returns.

The Census Bureau, under director William R. Merriam is making exhaustive inquiries into the status of the Negro in agriculture, the industries and wealth.

Lyon's Kathairon is good for the Hair. That is certain.

REMEMBER THIS:

LYON'S KATHAIRON is only put up in one sized bottle, price of which is 50 cents. WE CANNOT SEND SAMPLES OR TRIAL BOTTLES. It is for sale by druggists and we prefer you would buy from them. But if there is no druggist in your town or he is out of Kathairon, we will send a bottle to your nearest express office, with ALL CHARGES PAID, if you will send us 50 cents in postage stamps (*in Registered Letter*), or else a postal money order or express money order. If you are too far from an express office, send 10 cents extra to cover cost of mailing box.

Keep in mind this fact: If the follicle or germ of the hair is not destroyed LYON'S KATHAIRON will promote a new growth, makes no difference what caused the baldness, nor how long it has existed.

LYON'S KATHAIRON PREVENTS HAIR FALLING

out simply because it nourishes and strengthens the roots. It is a hair food that gives new life to the thin, weak, falling hair of either sex.

(copy)

PUTNAM HOUSE,
Opposite Madison Square, Garden,
4th Ave. and 25th St.,

NEW YORK, Dec. 4, 1899.

Lyon Mfg. Co., Brooklyn, N. Y.

Gentlemen:-- As I am out of your Mustang Liniment and am about to start in the big bicycle race at Madison Square Garden, where I will need it badly, I would like to know if you will not send me another good sized bottle. I like the Liniment very much, as it takes the soreness and stiffness out so quickly.

Yours truly,

(Signed)

C. W. MILLER.

We immediately sent him the Liniment, and his exclamation on receiving it from our representative was, "Oh! I'm so glad you brought it. Nothing limbers my joints so well as **MEXICAN MUSTANG LINIMENT**." The above letter was received by us without solicitation, and absolutely no consideration was paid by us for it.

The result was the race was won by Miller & Waller, who used **MEXICAN MUSTANG LINIMENT**, and found it absolutely necessary. What we want to point out is-- If **MEXICAN MUSTANG LINIMENT** will do so much for any one in a race like this, and of course they were in a highly trained condition, it certainly should be used by every bicyclist, whether he rides much or little, and it will relieve all aches and soreness.

For sale by all druggists. 25 c., 50 c. and \$1 per bottle.

PROF. W. H. RICHARDS.

Prof. W. H. Richards,

whose portrait accompanies this article is Professor of International Law at Howard University and has charge of the mammoth library of the department. He has been a conspicuous figure in politics, and was the first colored man to serve as mayor of a city south of the Mason and Dixon line. Prof. Richards has just closed a two-term tenure as president of Bethel Literary and Historical Association. This is the most widely known colored society of its kind on the globe, and its platform has been graced by the most eminent authorities extant on subjects calculated to

inform and entertain a scholarly audience. Prof. Richards also has an extensive law practice.

The example of the distinguished men of the Negro race should spur the colored youth to renewed efforts for advancement, as education properly directed combined with pluck and perseverance is sure to meet with a just reward.

A ten years' test.

Waverly, Ala., Sept. 6, 1899.

I think MEXICAN MUSTANG LINIMENT one of the greatest medicines I ever saw, and always keep a bottle or so in my stables. I have never known a single instance where it failed to give satisfaction, and I've been using it for ten years.

By reason of the almost miraculous cures of many desperate cases it has been convincingly demonstrated that

Vaughn's Lithontriptic

is the most successful remedy for all forms of Liver and Kidney complaints that medical skill could study out

**This man thought his end was near.
It was a severe case, but Vaughn's
Lithontriptic made a well man of him.**

CROSS KEYS, S. C., July 21, 1899.

Gentlemen:—

I have been suffering for three years from Anasarca or general **Dropsy** of the cellular tissue, caused from the liver and Kidneys. My physicians said that I could last but a short time. I was unable to lie down except shortly after being tapped. Every tissue was completely filled and saturated with fluid. Three-quarters of a gallon was drawn from scrotum several times.

I was completely filled at the time I began using **Vaughn's Lithontriptic**, perfectly helpless, legs terribly inflamed and exuding fluid. I was unable to get any rest or sleep except while under the influence of an opiate. I have used eight bottles of **Vaughn's Lithontriptic** and am now comfortable and able to attend to my business. I can now ride my horse, a thing I had been unable to do for nearly two years.

You may publish as much of my statement as you desire. I am glad to give it, as some poor sufferer may be benefitted by it.

Yours truly,

R. J. BETSILL,

Maj. 18th Reg. S. C. Vols., 1860.
